Tuition Structure

Monthly tuition reserves a consistent weekly time slot in the studio schedule. Your tuition functions similarly to reserving a standing appointment — it secures your place in the studio regardless of attendance.

Tuition is a flat monthly rate and is not prorated or refunded for missed lessons.

Please note:

Some months may contain an extra lesson at no additional charge. Over the course of the year, this balances with scheduled studio breaks.

Attendance & Cancellations

30 days' written notice is required if a student chooses to discontinue lessons. If I must cancel a lesson, it will be rescheduled or refunded. The studio does not offer makeup lessons for missed sessions. However, students are welcome to attend their scheduled lesson virtually if they are unable to attend in person. There are no refunds or credits for missed lessons.

Studio Calendar

The studio is closed on the following holidays and breaks (tuition is structured with these dates in mind):

- Thanksgiving (Thursday & Friday)
- December 23 – January 1
- Spring Break
- Memorial Day
- Fourth of July Week (July 6-10)
- Labor Day

Specific calendar dates will be communicated in advance.

Lesson Expectations

Students who arrive late may not receive their full lesson time.

Please arrive on time and wait until your scheduled lesson time to enter the studio. Early arrivals and late departures can disrupt other students' sessions.

Students are expected to practice consistently and come prepared for each lesson.
